

## **Dr. Brett Taylor Opting Out of Medicare**

Please be aware that I will be opting out of Medicare prior to January 1, 2009.

I am looking forward to continuing our physician/patient relationship under these new terms. If however, you do not wish to continue, please let me know and I will assist you in finding a physician who has not opted-out of the Medicare program.

Thank you,

Brett A. Taylor, M.D.
